- **Volatile acidity:** 0.51
- **Total acidity:** 4.95
- **SO₂ Free/Total:** 30/86
- **pH:** 3.67
- **Suitable for vegans**

The vineyard

The grapes for Finca Vallejo crianza were sourced and carefully manual selected from our vineyards in Villalba de Duero (800m altitude). The soils are calcareous clay and sandy loam.

Winemaking

The alcoholic and malolactic fermentation takes place in stainless steel tanks. Subsequently, the wine is aged for 12 months in French oak barrels where the wine acquires its complexity and balance.

Vintage / Harvest description

The 2020 vintage has been marked by more rainfall as well as slightly lower temperatures than other years, giving rise to fresher wines. These weather conditions made the ripening process last longer, allowing for a smooth and calm harvest. Manual selection of grapes both in the vineyard as well as at the winery. The harvest took place between September 26 and October 19.

Tasting notes

Medium-high layer, with a bright and lively appearance, cherry red in color with a violet background. On the nose, fresh red fruit (currants, cherry) are found, as well as a good balance of wood and fruit from its long aging in barrels, providing spicy, toasted and balsamic aromas. On the palate it is structured and with round silky tannins providing a perfect balance. The end of the mouth is wide, long, leaving an intense memory of red fruit and wood. Pairing with a wide range of dishes such as stews, rice dishes, fish in sauce. And all types of meats.

Recommended service temperature 16-18°C.
