- **Total acidity:** 4.7
- **pH:** 3.65
- **Suitable for vegans**
- **Volatile acidity:** 0.45
- **SO₂ Free/Total:** 25/80
- **Total Polyphenols Index:** 66

The vineyard

Finca Vallejo is made with grapes of our 800 m altitude vineyards in the village of Villalba de Duero, Burgos, where the continental climate and the chalky-clay soils are ideal for growing vines.

Winemaking

Alcoholic fermentation takes place in stainless steel vats at controlled temperature and is aged for 6 months in French and American oak barrels.

Vintage / Harvest description

The 2019 campaign has brought together all the necessary conditions for the production of quality wines. Due to the absence of rains at key times, flowering and ripening, in the months of May and June, the quantity of grapes was reduced, obtaining small and loose bunches, less compact, increasing the concentration of colour and aromas.

Before the harvest, good weather conditions enabled the optimum grape's ripening and the production of balanced wines, very deep in aromas and color.

Harvest began on the 27th September and ended on the 17th October.

Tasting notes

This wine is characterized for the red fruits and fresh aromatic herbs aromas. On the palate is powerful with round tannins and a long and persistent finish.
