- **Volatile acidity:** 0.29
- **Total acidity:** 5.64
- **SO₂ Free/Total:** 25.6/117
- **pH:** 3.25
- **Suitable for vegans**

Winemaking

Grapes were selected from the best vineyards and then harvested at night, to produce a varietal Verdejo wine of high quality. On arrival at the winery, the grapes were pressed and the must put into stainless steel vats. Here the alcoholic fermentation took place at controlled temperatures in order to extract and preserve the primary floral and fruit aromas characteristic of the variety.

Vintage / Harvest description

The 2022 harvest began on August 16 and ended on October 16, being the earliest and longest harvest to date. Grapes of high quality and of optimal health conditions fostered by the good weather. The grapes were harvested at the optimal stage of maturation, entering the winery at a controlled and staggered way. According to the D.O. Rueda, the high quality of the grapes predicts very good prospects for the 2022 vintage.

Tasting notes

Pale greenish yellow in colour. High aromatic intensity where we can find a wide variety of aromas such as fennel and boxwood, along with tropical fruits and citrus. On the palate it is cheerful and marked by its varietal character. The subtle final bitterness gives us a long, fruity and balsamic aftertaste. Ideal to enjoy alone or paired with shellfish, fish and even exotic food. Recommended service temperature 6 to 10°C.
